SECRETARY IN THE Department of Industry and Internal Trade (DPIIT) Guruprasad Mohapatra died of Covid-19 related complications at AIIMS on Saturday.

Mohapatra, 59, was admitted to AIIMS in mid-April. He is the first serving secretary to the Government of India to have succumbed to Covid-19.

Prime Minister Narendra Modi expressed grief over Mohapatra's demise. "Saddened by the demise of Dr. Guruprasad Mohapatra, DPIIT Secretary. I had worked with him extensively in Gujarat and at the Centre. He had a great understanding of administrative issues and was known for his innovative zeal. Condolences to his family and friends. Om Shanti," Modi said in a tweet.

Home minister Amit Shah, commerce and industry Minister Piyush Goyal, petroleum minister Dharmendra Pradhan and cabinet secretary Rajiv Gauba too expressed their condolences. "Dr. Guruprasad Mohapatra,

DPIIT Secretary was a very able and hardworking officer. His untimely demise is very saddening. My thoughts and prayers are with his bereaved family in this hour of grief," Shah tweeted.

Goyal said Mohapatra's long-standing service and dedication to the nation have left a lasting impact. Pradhan said India has lost an able administrator due to the untimely death of the secretary.

"Dr. Mohapatra was also at the forefront of COVID management in the country. Though his karmabhoomi was in Gujarat, Odisha today has lost a true warrior. My deepest condolences to his family," he added. RBI Governor Shaktikanta

Das said Mohapatra was a highly efficient and dedicated civil servant and was always very responsive and constructive. Expressing deep shock at the untimely death, Gauba said as the head of one of the Empowered Groups, the secretary worked with utmost dedication in the ongoing fight against the COVID-19 pandemic.

"Even after he had tested positive and was not well, he continued to work for long hours, monitoring the supply of oxygen across the country, under very challenging circumstances," the cabinet secretary said.

Wipro chairman Rishad Premji tweeted, "Saddened and shocked on the passing of Secretary DPIIT Sh. Guruprasad Mohapatra ji. Will remember him as a capable, committed and warm officer. His untimely death is an irreparable loss to the entire fraternity. Condolences to the family & loved ones..."

Industry chamber CII too stated that the secretary was a passionate administrator and his innovative ideas and proactive initiatives set new models for the Indian economy.

NTPC reports all-time high net profit of ₹13,770 cr in FY21

FE BUREAU New Delhi, June 19

STATE-OWNED NTPC reported a 36.2% year-on-year (y-o-y) increase in its standalone net profit to ₹13,769.5 crore in the fiscal ended March, which is the highest ever annual profit recorded by the company, mainly on lower tax expenses. It paid ₹1,925.4 crore tax in FY21, about 79% lower than the same period last year. The final dividend is in addition to the interim dividend of ₹3/share for FY21 paid in February.

For the fourth quarter of FY21, NTPC's net profit increased 257.6% to ₹4,479.2 crore, as the company received tax refund of ₹982.4 crore against the ₹4,983.7 crore paid in taxes in the corresponding quarter in FY20. NTPC revenue increased 3.1% y-o-y to ₹1,03,552.7 crore in the fiscal as the power company sold 251.7 billion units of electricity in the period, 4.8% higher than last fiscal.

YEIDA agrees with creation of SPVs, but final nod after competent authority approval

RISHI RANJAN KALA New Delhi, June 19

NBCC ON FRIDAY wrote back to Jaypee Infratech's (JIL) committee of creditors (CoC) assuring them that it has received a positive response from Yamuna Expressway Industrial Development Authority (YEIDA) for separation of land into two SPVs, but as per provisions of the concession agreement inked between YEIDA and Jaiprakash Associates (JAL) in 2003. People in the know of the development said NBCC's letter was in response to a fresh query raised by a homebuyer regarding YEIDA's consent on separation of Yamuna Expressway and land banks into two special purpose vehicles (SPVs). JIL CoC is at present voting on the revised resolution plans of NBCC and the consortium led by Suraksha Realty. The voting began on June 14 and will end on Wednesday.

NBCC emphasised that creating two SPVs — Yamuna Expressway and Land Bank — is crucial for having a commercially viable plan in interest of stakeholders, including lenders, one of the sources said, adding, "It will ensure administrative convenience, tax effective mechanism and feasibility of transfer of assets and liabilities. Besides, other assets and balance lands will remain with JIL and can be monetised as convenient".

Hiring in tech sector rebounded in May; overall job market still weak, says report

PRESS TRUST OF INDIA Mumbai, June 19

HIRING ACROSS SECTORS declined in May, though the tech industry job market rebounded from the pandemic-induced downturn as many technology companies have been on full expansion mode, according to a report. There was a 2% decline in the overall number of new job posts in May on the SCIEKEY Market Network, a job site, including in sectors like banking with a dip of 12%, retail 16% and FMCG 12%, while there was

a growth of 5% in the insurance sector. However, the data revealed that there was robust demand for jobs like software developer, DevOps, cloud and data engineer, which witnessed 12-16% growth in May. Other profiles like sales, marketing, site engineering, human resources, finance and project manager witnessed flat demand, the report added.

The data has been collected using SCIEKEY's job portal and the market research conducted by SCIEKEY Market Network based on over 10,000 job posts

across India.

The data also indicated that hiring for mid-level executives with 8-12 years of experience and leadership roles (more than 16 years of experience) grew by 5% and 2%, respectively. However, hiring for entry-level professionals (0-3 years experience) declined by 4%.

"It's been a rough patch for most sectors since the lockdowns took place. Although, tech companies have gained good momentum on hiring. Due to the shift to remote work and the surge in demand for cer-

tain online services, tech has been immune to the lockdowns to some extent," SCIEKEY co-founder Karunjit Kumar Dhir said. The increase in tech hiring indicates that such roles remain the most in demand due to increased competition and demand for new digital technology-led projects during the pandemic, he noted.

"This is a positive indicator that businesses are moving towards getting their growth plans into action and not just survival or business continuity strategies.
